HIRING DISCOUNTS

Local Discount of 50% and no Holiday Supplement applies to the following –

- Local residents for non-profit activities
- Local society/club meetings

Local residents do not receive this discount for –

- Commercial activities

Loyalty Discount applies only for organisations or individuals who are not eligible for the Local Discount and works on a sliding scale as follows:-

Three years continuous use or £1,500 spent in under 3 years	5%
Four years continuous use or £2,500 spent in under 4 years	10%

If an organisation earns a loyalty discount and then misses a year breaking the continuous use element, then they forego the discount until such time as they have built up the credits from their next booking, unless their overall expenditure earns them a discount.
